ABOUT WOMENITE

A youth-led NGO working with women, girls and their communities

Womenite began in 2015 as a group of students at NSIT and Delhi University colleges who wanted to talk openly about the issues women and girls face. It was registered as a society in New Delhi on 25 November 2017.

Today we work on menstrual health, girls' education, child protection, gender equality, nutrition, relief and the environment, through volunteers, government partners and companies.

Our mission
To empower women and girls through education, health care

Since 2015
17 lakh+ sanitary pads distributed, 2 lakh+ lives impacted, in 12

MESSAGE FROM THE FOUNDER

Dear friends and supporters,

This year reminded me why Womenite exists. In a single year, our teams served more than 10,000 meals, gave 1,500 students the stationery and guidance to stay in school, distributed sanitary pads to thousands of women and girls, and kept families warm through a hard Delhi winter.

We believe in a society that is equal in its norms of gender and that values difference. Our role is not to rescue anyone. It is to work alongside communities, remove what holds women and girls back, and then step aside so they can lead.

This year we also invited men into the conversation in a new way. Our period pain simulator let fathers, brothers, students and colleagues feel, for a few minutes, what many women live with every month. The conversations that followed did more than any poster could.

None of this happens alone. Our volunteers, college chapters, government partners and corporate partners, including ALP Group, Adobe's Employee Community Fund, Salesforce and the Jharkhand State Pollution Control Board, made this year possible. Every rupee is accounted for in our audited accounts, summarised in this report.

Thank you for standing with us. Let us keep going, together.

Harshit Gupta
Founder and President, Womenite

2025–26 AT A GLANCE

A year of reaching further

Between April 2025 and March 2026, Womenite's programmes reached more than 15,000 people across 30+ communities, with 150+ volunteers.

15,000+
lives impacted

10,000+
meals served under Mission Zero Hunger

2,000+
ration kits for families

2,500+
menstrual hygiene kits distributed

1,500+
students supported with stationery and career guidance

4,000+
blankets and winter clothes distributed

500+
saplings planted on World Environment Day alone

150+
volunteers, across 30+ communities

87%
of spending went to programmes (audited)

Where the money went

Total expenditure ₹2.54 crore, FY 2025–26, audited by Viney Mittal & Co., Chartered Accountants.

Campaign expenses · 86.9%

Staff salaries · 10.6%

Office, rent and other costs · 2.5%

RELIEF · SDG 1, 2

Poverty Elimination Programme

The Poverty Elimination Programme is Womenite's largest programme in 2025–26. It supports individuals and families facing hardship with what they need most: food and ration distribution, and direct financial support to people in difficult circumstances.

Support went to daily wage workers, elderly people and families in slum communities across Delhi NCR. The programme works alongside Mission Zero Hunger, Poshan Maah and Warmth in Winters, so families can receive food, nutrition and seasonal support together.

Its spending is part of Womenite's audited accounts, and it shows how most of our money goes directly to people on the ground.

HEALTH · SDG 3, 5, 6

Menstrual health and #EndPeriodPoverty

Adobe Employee Community Fund | 92.7 BIG FM

No girl should miss school or work because of her period. Through sanitary pad distribution, myth-busting sessions and safe disposal, we worked with women and adolescent girls in Bhalaswa, Peeragarhi, Udyog Nagar and other communities on menstrual health and dignity.

This year we introduced the **Period Pain Simulator** at colleges and community events, including Shivaji College and Dyal Singh College. Male students, family members and community leaders felt simulated menstrual cramps for a few minutes, opening honest conversations and building men into allies for women's health.

On GivingTuesday in December 2025, a partnership with the **Adobe Employee Community Fund** brought pad vending machines, dry ration kits and workshops to Peeragarhi. Under Swasth Nari, Sashakt Parivar, women in Udyog Nagar received wheat flour, pads and jute bags, and 92.7 BIG FM joined a campaign on clean public washrooms for women.

700+
sanitary kits in community drives

500+
women and girls reached in sessions

100+
people took the period pain simulator

HEALTH AND ENVIRONMENT · SDG 3, 5, 13

Project Aditi and our partnership with ALP Group

ALP Group | District Administration, Gurugram

Under **Project Aditi**, Womenite and ALP Group, with the District Administration, Gurugram, place sanitary pad vending machines in anganwadis so women and girls can get pads privately, at the push of a button. Machines are now running in 22 anganwadis in Gurugram, and in March 2026 the programme reached anganwadis in Sohna.

Alongside the machines, **Swachh Nari, Swachh Soch, Sashakt Samaj** ran sessions on menstrual hygiene, safe disposal and myth-busting, and involved male family members to make homes more supportive.

In February and March 2026, ALP Group and Womenite began **Ek Ped Maa Ke Naam** plantation drives in villages of Gurugram, including Damdama and Saap Ki Nagli, planting trees in honour of mothers with employees, students and villagers.

> **22**
> anganwadis in Gurugram with vending machines

GIVING · SDG 1, 3, 4

Daan Utsav: End Period Poverty

Delhi Metro stations | College chapters

For Daan Utsav, India's Joy of Giving Week in October 2025, Womenite set up collection and awareness points at Delhi Metro stations under the theme "End Period Poverty". Employees, volunteers, donors and commuters contributed sanitary napkins, food, stationery and hygiene products.

Everything collected was distributed in communities across Delhi, with short sessions on menstrual hygiene, nutrition and the value of keeping children in school.

700+
sanitary napkin packs

200
stationery kits

100
food kits

5+
communities

NUTRITION · SDG 2, 3

Mission Zero Hunger and Poshan Maah 2025

Raahi Foundation | College chapters

Mission Zero Hunger is one of Womenite's two largest programmes this year. Teams cooked and served fresh meals and distributed ration kits to daily wage workers, elderly people, factory labourers and families facing food insecurity across Delhi NCR.

During **Poshan Maah** in September 2025, Womenite and Raahi Foundation ran nutrition drives in slum communities, distributing nutritious food and dry ration and holding sessions with mothers on balanced diets, child nutrition and hygiene.

10,000+
meals served

2,000+
ration kits

25+
communities

8,000+
people supported directly

RELIEF · SDG 1, 3

Warmth in Winters

Delhi's winters are hardest on people who sleep on the street or in poorly built homes. Under Warmth in Winters, volunteers distributed blankets and warm clothing to homeless people, elderly citizens, daily wage workers and families in slum communities.

On Republic Day 2026, the team distributed blankets to workers in Sarhaul village, Gurugram, and volunteers in Patna, Bihar ran their own blanket drives.

1,500+	2,500+	20+	4,000+
blankets	winter clothing items	locations	people reached

EDUCATION · SDG 4, 5

Girl Child Education

Under Girl Child Education, Womenite distributed stationery kits and held career counselling sessions for girls in government schools. Students shared their ambitions, to become doctors, engineers, teachers, civil servants and entrepreneurs, and were guided on the steps to get there.

Sessions also explained government and private scholarships, financial assistance schemes and higher education options, so that cost does not decide a girl's future.

1,000+
stationery kits

1,500+
students

15+
schools

ENVIRONMENT · SDG 11, 13, 15

Climate action and the environment

Jharkhand State Pollution Control Board

With the **Jharkhand State Pollution Control Board**, Womenite ran a campaign in Ranchi on waste management and plastic-free living: household outreach, training for Swachh Warriors (sanitation workers), school workshops and drawing competitions, market vendor engagement, plantation and eco-friendly bags.

Under the **Climate Action Project**, Womenite planted saplings at the Sadar Hospital premises in Ranchi with hospital staff, health workers and community members, who pledged to look after them.

5,000+
people reached in Ranchi

200+
households

50+
Swachh Warriors trained

75+
market vendors

ENVIRONMENT · SDG 13, 15

World Environment Day 2025

Sonipat Municipal Corporation

On World Environment Day 2025, Womenite joined the Sonipat Municipal Corporation and volunteers in several cities for awareness rallies, nukkad nataks (street plays) in busy public places, and plantation drives.

Volunteers also led drives in their own towns, including Kondagaon in Chhattisgarh and Avanoor in Kerala, and our VR4SDGs programme used virtual reality to show residents how waste segregation works.

500+
saplings planted

15+
street plays

10+
rallies

10,000+
citizens engaged

PARTNERS AND VOLUNTEERS

None of this happens alone

Womenite works through public systems and with companies, foundations, colleges and volunteers. Thank you to everyone who worked with us in 2025–26.

Government

- District Administration, Gurugram
- Jharkhand State Pollution Control Board
- Sonipat Municipal Corporation
- Delhi Metro stations (Daan Utsav)
- Survey of India: Womenite serves on its Internal Complaints Committee

Companies and CSR

- ALP Group: Project Aditi and Ek Ped Maa Ke Naam
- Adobe Employee Community Fund: GivingTuesday in Peeragarhi
- Salesforce: employee volunteering programme
- HCL Foundation: My Clean City (April 2025 workshops)

Foundations, media and colleges

- Raahi Foundation: Poshan Maah 2025
- 92.7 BIG FM
- Womenite college chapters, including Kamla Nehru College and Gargi College
- Students and interns from colleges across India

Women's empowerment events

In December 2025, more than 350 women came together for **Mahila Mahotsav**, a day of conversations, performances and recognition of women from the communities we work with.

Volunteers

150+ volunteers, from college students to working professionals, gave their time this year. They are the heart of Womenite.

FINANCIAL SUMMARY

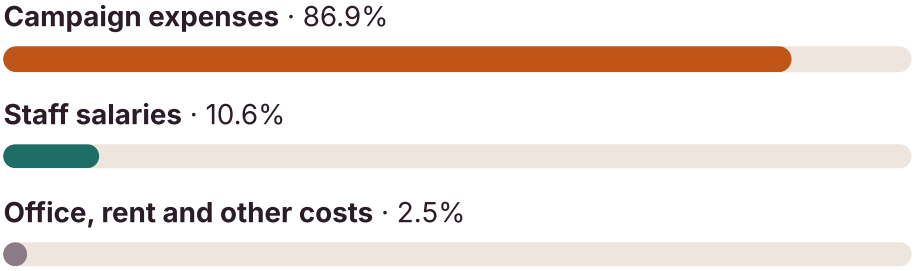

Every rupee, accounted for

Figures from the audited income and expenditure accounts (Viney Mittal & Co., Chartered Accountants). FY 2025–26 audit dated 19 October 2026.

Income and expenditure	FY 2025–26	FY 2024–25
CSR donations	₹2,06,34,006	₹2,54,59,900
Foreign contributions (FCRA)	₹24,15,312	–
Other donations	₹14,70,322	₹41,34,005
Total income	**₹2,45,19,640**	**₹2,95,93,905**
Campaign expenses	₹2,20,34,593	₹2,67,84,821
Staff salaries	₹26,99,000	₹12,42,000
Office, rent and other costs	₹6,26,524	₹6,02,325
Total expenditure	**₹2,53,60,117**	**₹2,86,29,146**
Surplus / (deficit)	(₹8,40,477)	₹9,64,759

Programme spending was 86.9% of expenditure in 2025–26 and 93.6% in 2024–25.

How every rupee was spent in 2025–26

Audit and compliance

- Accounts audited every year by Viney Mittal & Co., Chartered Accountants
- Form 10BB audit report and ITR-7 for 2024–25 filed on time with the Income Tax Department
- Audited accounts for every year since 2020–21 published at www.womenite.org/documents
